Summary

I am interested in Machine Learning and Deep Learning. I am a hardworking Python Programmer with proven Microsoft Office skills and minute attention to detail. To enhance my technical and management skills, get a challenging career in the Engineering domain, and contribute to the company's growth as well as personal growth. In addition to this, I would love to learn new skills and explore new working areas.

Education

Khulna University of Engineering and Technology

Undergraduation, Electronics and Communication Engineering

Jan 2019 - Apr 2024

Amtali Govt. College
